## Pennine Camphill Community College - Wakefield

**Address:** Wood Lane, Chapelthorpe, Wakefield  
**Architects:** Spawforths  
**Value:** £1.5 million  
**Project Term:** November 2009 to August 2010  
**Project:** New Rural Craft Centre & Associated works  
**Client:** Mr William Taylor of Pennine Camphill Community College

## Background

Torpoint was asked to construct a specialized building for the College, the building was for Rural Crafts workshops.

The cedar shingle roof was an NFRC award winning roof.

## Description of Works:

The project involved the following:-

- New 2 Storey Circular Rural Crafts Centre steel frame.
- Block and stone build, with larch cladding and rendered exteriors to accompany.
  - Cedar shingle roofs with lantern lights.
    - Central helical staircase
  - Extensive external works to accompany
    - Green methods of construction used
