Dear Garry

CARRWOOD PRIMARY SCHOOL EXPANSION AND CAR PARK PROJECT

I write to thank you and your team on the project at Carrwood for the work carried out this summer which has been of the highest quality and all handed over on time and within budget.

The ease with which the works, despite their complex interface with a working school, have been carried out is note worthy and memorable as rather than receiving complaints from the school we have on several occasions had impromptu telephone calls from the head to complement your company and the site team on both their attitude and the quality of work being produced.

I look forward to adding you to tender lists for future projects and would ask that you convey my thanks and appreciation for a job well done to all of your staff who have been involved in this project.

Yours sincerely

Barney Harle
for Assistant Director EDP
