FAO: Garry Cox - Surveying Director

Dear Garry

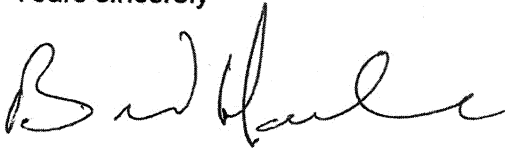

**CARRWOOD PRIMARY SCHOOL - PHASE 2 EXPANDED SCHOOLS PROJECT**

I write to record my personal thanks to you and your team for their work on the project at Carrwood Primary School.

It is notable that despite severe weather, design changes and unexpected conditions the team have managed to land an exceptionally complicated project with multiple phases within the agreed overall timescales, on budget and of high quality with virtually no snags or defects at handover, this is in no small part due to the personal commitment of your site supervisors and their wonderful working relationship with the school team.

I look forward to working with you again in the near future and would have no hesitation in providing references / recommendations for yourselves to other clients.

Yours sincerely

Barney Harle  
for Assistant Director ED & P
