To whom it may concern

As the headteacher of Carrwood Primary School I am writing to express our sincere thanks to everyone at Torpoint who have been connected with the schools extensive new building work.

The children, staff, governors and parents are extremely proud of Carrwood and our new facilities. It is now a school fit for purpose and that is due to your excellent team and all the other trades you have brought in.

Your team under the site management of John and Dave have shown great consideration for the day to day working of the school, the children and staff.

Garry has responded to every phone call, e mail and request for meetings for which we are extremely grateful.

As far as Carrwood are concerned Torpoint are the best and we would highly recommend without hesitation.

Yours sincerely

Mrs H Beards
Headteacher
