Dear Gary

I am writing to express my delight with the recent extension works that your company has carried out at Carrwood Primary School. Phase one, extension to Hall and Dining Room and partitioning of 1 class room were all completed on time and finished to an excellent standard. Your team of contractors working under the supervision of Jon Swift (site agent) have carried out the work in an extremely professional manner with minimum disruption to the school day.

The current new Car Park project is progressing well and I look forward to working with you and your team on future projects.

Yours Sincerely

Mrs H Beards  
Headteacher
