Value: £600k

Project Term: 30 weeks

Project: New sixth form extension & refurb

Client: The Heckmondwike Grammar School

Description of Works

Torpoint Ltd undertook a new 6th Form extension for the Heckmondwike Grammar School. This “futuristic” build was made from colour changing Trespa panels and a stone plinth.

The main construction was steel framed and flat roofing membranes. New aluminium windows and associated external works. Extra works included new UPVC curtain walling to various parts of the school.
