Dear Richard

I am writing to express my sincere thanks to you and your team of men who recently constructed two new classrooms and extended the school hall at St. John the Baptist Catholic Primary School, Normanton.

As you can imagine, staff, pupils, parents and governors are all absolutely delighted with the end result. The disruption in school during the programme was definitely worth pursuing! The new build has made such a massive difference to our facilities and the quality of workmanship is clear for all to see.

I would especially like to thank Dave Pearson (Site Foreman) for his help and support throughout the construction process; for his very accommodating approach, positive attitude and his total professionalism.

Please pass on my thanks to Dave and to whomever else this may concern.

Yours sincerely

Mrs Lesley Darren
Headteacher
