Subject: Westborough High School Phase 1 works - Thank you!

Dear All

I am writing to express my thanks to you all, for your contribution to the Westborough High School project - Phase 1 works were successfully handed over on Friday 1st November 2013.

This has been a challenging project given the tight timescales and logistics, however, I am hoping the new staircase and external corridor is already starting to make a big difference to staff and pupil circulation around the school.

I would also like to thank Jennifer, Maria and Tony at the school who have worked closely with Torpoint to ensure the continued safe running of the school whilst the works were being completed.

Regards, Joanne

Joanne Varley
